

# BT-FLAG

## Instructions

1. Bag with stand.

2. Open the bag.

3. Take out the poles and Spike (Outdoor set) or Cross base & Water Filler (Indoor set).

4. Connect the poles one by one.

5. Insert the pole into the graphic sleeve.

6. Gently pushing the pole all the way to the end.

7. Thread the Bungee Cord through the grommet at the bottom of sleeve.

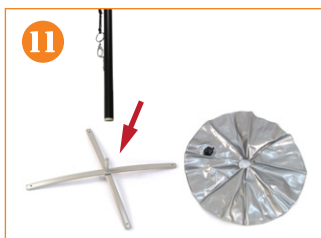

8. Secure the Bungee with the Carabiner Clip (as shown) and connect it to the loop on base pole.

9. Install the pole on the Spike for the outdoor flag.

10. Complete the outdoor flag with the Spike Base.

11. Place the Water Filler on top of the X Base and insert the flag pole on the X Base for the indoor flag.

12. Fill base with water to complete the installation.
