## Instructions for Graphic Installation

1. Arrange the graphic and the top bar so they are parallel to each other.

2. Remove the end caps on both sides.

3. Open the top bar.

4. Insert the graphic into the top bar and press to close.

5. Insert the end caps on both sides.

6. Arrange the graphic and the base leader parallel to each other.

7. Peel off the adhesive paper.

8. Attach the base of the graphic on top of the adhesive and press firmly to secure.

9. Hold the graphic and remove the spring key.

10. Slowly retract the graphic into the base.

11. To add tension, insert the plastic tension key on the left side of the base end cap and turn counter clockwise.

12. To release tension, insert the metal key in the tension slot located at the bottom left side of the base end cap.
